Back to School 2014

For expert fitting advice, shop in store, but shop early! Our staff are trained to fit uniform so it lasts a full academic year.

- **New parents:** try and come in store **before mid August** so your child can try on their uniform before the back to school rush
- **Personalisation items that require embroidery/printing:** order by 2nd Aug to avoid delay
 - **Special sizes:** allow 8-10 weeks for made-to-measure items
