Parkstone School Fund

ENRICHING YOUR DAUGHTER'S EDUCATION

Parkstone School Fund

Through the generosity of parents and their donations to the school fund we have been able to enrich the education of our students.

The school fund is incredibly valuable – to your daughter and to the school community as a whole.

School funding is under great pressure and parental donations are used wisely to provide the enriching experiences that make an education at Parkstone so special. The school fund enables us to enhance and deepen your daughter's learning experience.

We warmly encourage you to support the school fund to allow us to continue to enrich our students' education and school environment.

If you feel able to support the school in this way by ParentPay, cheque or cash, please complete the form on the reverse and return to the school. The current suggested contribution is £50 per year, per child. If you are able to give more, please do so, or just what you can. All donations are appreciated equally and the benefits are huge. Monthly or annual payments are welcome.

We thank you in advance for your support.

Examples of use for the school fund :

- provide special rewards to students to recognise and celebrate success including badges for positions of responsibility including House badges, Literacy Leaders, Prefects and Sports Colours
- support the opportunity to compete at a regional and national level in a range of sports
- provide a personal locker for each student to safely store her belongings
- provide every girl with a Student Planner to support her personal organisation and promote communication between school, students and parents
- support the school's prestigious Awards Day celebrations to recognise the outstanding progress of students
- support visiting performers and theatre companies
- cover the cost of School Newsletters, sharing our achievements, events and festivities with our school community

and much, much more ...
