Dear Parent/Carers

Yesterday we published a video presentation via Microsoft Teams to all students which explains the arrangements for the start of term. To view the video they will need to log into Teams with their student log in. If they are unable to locate the video, the links for the relevant year group as per the attached list will take them to the appropriate page.

The purpose of the presentation is to re-cap the information shared at the end of last term, with some accompanying photographs so that students are prepared for the visual changes to the school, or as an introduction to some elements of the school for our new students.

We hope that this presentation helps to introduce how school will work for your child this year.

Yours sincerely

Jez Graves
Assistant Headteacher
