Dear Parents / Carers

Virtual Carol Service – Permissions Request

I would like to invite your child to be part of Parkstone Grammar School's first, and hopefully last, virtual Carol Service. For obvious reasons our usual Carol Service can't take place. Instead, I am asking students to record themselves performing various pieces at home which will then be edited together to create a concert. This will be streamed live on YouTube on the night of the Carol Service, **Monday 14 December**, via a private link which will be sent out nearer the time.

All the details of how students can take part, along with sheet music and instructions, will be emailed directly to the students via their school email address. Please ask them to look out for this email in the next few days.

As the process involves video we will need your permission for your child to participate. Please be aware that only those with the link will be able to watch the live stream, and once finished the service will be removed from YouTube.

If your child wishes to take part, please complete the attached permission form and return via your form tutor by the **deadline 4pm on Monday 30 November 2020**.

Yours sincerely

Mr Chris Block
Director of Music
