Dear Parent/Carer

YEAR 11 PARENTS' EVENING

I wish to thank you for your support and understanding with our recent Parents' Evening. Having spoken with the Managing Director of the provider, the date was exceptionally popular with over 450 other schools they work with. This put considerable strain on their servers which led to the difficulties we all faced when trying to make contact. It will be of little comfort to you, but they have since put this right and have assured me it will not happen again.

We are currently collating notes for the families who staff were unable to get in touch with. Given the number of appointments which were unsuccessful, this will take a couple more days. We aim to have all notes emailed home before the end of Monday and I would like to thank you in anticipation of your patience with this.

I am pleased to report that where connections were made, feedback from staff and families so far has been overwhelmingly positive.

Thank you for your support and I apologise once again for the inconvenience and disappointment caused.

Yours sincerely

Mrs S Izard
Assistant Headteacher
