449 School Bus

We have received the following notification today from BCP Council:

*We need to advise you of diversions to the **449** school bus routes to Parkstone Grammar School due to road resurfacing works along Poole Road from **Wednesday 25 to Friday 27 November 2020**.*

*Resurfacing work is due to be undertaken along **Poole Road** which will mean that diversions to the **449 bus service** to Parkstone Grammar School is necessary.*

***449 Morning** - will use Archway Road after serving Penn Hill Avenue and then turn left onto Bournemouth Road. This means that the Branksome Rail Station stops cannot be served and the nearest alternative stop will be located at St Joseph's Church on Bournemouth Road.*

***449 Afternoon** - will return via St Osmund's Road and Penn Hill Avenue before turning onto Archway Road and Bournemouth Road (as opposed to Bournemouth Road / Poole Road / St Aldhelm's and Lindsay Road) dropping the last students off at The Grasshopper Pub. No stops will be missed in the afternoon but students will be dropped off on the opposite side of the road.*

The service will revert to its normal route on completion of the works which, subject to any unforeseen circumstances, are due to be finished by 27/11/2020 and we will let you know if we can return the service to its normal route any earlier.
