Dear Parent/Carer

Year 10 Art Catch Up

We are very pleased to have been given permission by the School to invite your child to attend our newly organised **lunchtime Year 10 catch up sessions** in order to help them catch up on their Artwork and make up for any difficulty that they had progressing on their work over lockdown.

Currently, your child has been identified as being somewhat behind in the lino printing task that we started prior to lockdown and were unable to finish as a result of it. We have given over some time this term to get this task completed but we are now at a point when we cannot delay the beginning of the new project, that we should have started in September, any further. It is now necessary for those students who have not yet finished this task to do so as quickly as possible.

We therefore strongly believe your child would benefit from these extra catch up sessions and would highly recommend they take up this opportunity to get back on track with their Art GCSE progress.

These sessions will run on Tuesday lunchtimes at 1:20pm, starting Tuesday 24 November and we will alternate Art groups each week:

Class 10D	Miss Batley	Tuesday lunchtimes Week A
Class 10C	Miss Sturdy	Tuesday lunchtimes Week B

Due to the limited capacity for these sessions, we cannot offer this opportunity to the whole class and we have specifically selected your child as one who would benefit significantly from this opportunity.

If you could please remind and encourage your child to take up this opportunity, that would be much appreciated.

We are aware that some students may be isolating and therefore should not attend any catch up sessions during their isolation period.

If you have any queries or concerns, please email me on anne.batley@parkstone.poole.sch.uk

Yours sincerely

Miss Batley
Head of Art
