Non-Uniform Shorts Guidance (Activities Week and Non Uniform Days)

To ensure the appropriateness of dress and comfort of students during activities we politely request parent support in ensuring that all students conform to the guidance below. If shorts are sensibly chosen to be worn in the warmer weather we insist that they are loose enough for comfort, ensure appropriate coverage and are of a material to ensure that activities can safely be completed. Midriffs should not be exposed nor should any additional jewellery be worn. We suggest that parents provide layers to ensure cover up if needed and that students wear and bring sunscreen and hats to ensure that students are protected from the sun. Below is visual guidance to support our students in selecting appropriate shorts.

Acceptable shorts guidance

Material: Cotton or sports material. Tighter fitted shorts should be afforded the appropriate length and top half coverage.

Length/Coverage: Length should provide adequate coverage for activities and not excessively expose the leg.
