

On behalf of Poole Society for Young Musicians:

Supported by SoundStorm, we're delighted to invite young musicians to join us once again for our inspiring and enjoyable annual Summer School. Led by talented professional musicians, it offers a few days filled with music-making, creativity, and fun – open to all players from Grade 1 to beyond Grade 8. It's a wonderful opportunity to build confidence, make new friends, and come away feeling inspired and full of music! Please see the attached poster for further details. We look forward to seeing you there.

Best wishes,

Alison Kay BEM (Director, Poole Society for Young Musicians)
