UNIFORM POLICY

DATE APPROVED	June 2026
APPROVED BY	Students and Staff Committee
NEXT REVIEW	May 2027
TYPE OF POLICY	Non-Statutory

AIMS

This policy aims to:

- Set out our approach to requiring a uniform that is of reasonable cost and offers the best value for money for parents and carers.
- Explain how we will avoid discrimination in line with our legal duties under the Equality Act 2010.
- Clarify our expectations for school uniform in line with the Children's Wellbeing and Schools Act 2026 & Statutory Cost of School Uniforms Guidance (July 2026).

WHY WE HAVE A SCHOOL UNIFORM

Uniform plays a key role in:

- promoting the ethos of a school
- providing a sense of belonging and identity
- setting an appropriate tone for education

By creating a common identity amongst all students, regardless of background, a school uniform can act as a social leveller. It can reduce bullying and peer pressure to wear the latest fashions or other expensive clothes.

EQUAL OPPORTUNITIES

The Equality Act 2010 prohibits discrimination against an individual based on the protected characteristics, which include sex, race, religion or belief, and gender reassignment.

To avoid discrimination, our school will:

- Avoid listing uniform items based on sex, to give all students the opportunity to wear the uniform they feel most comfortable in or that most reflects their self-identified gender.
- Allow students to wear headscarves and other religious or cultural symbols.
- Allow for adaptations to our policy on the grounds of equality by asking students or their parents to get in touch with the Deputy Headteacher who can answer questions about the policy and respond to any requests.

SAFEGUARDING

There is provision made in the policy to ensure that the uniform is safe for students to walk or cycle to school.

The school PE kit is practical, comfortable and appropriate to the activity involved.

LIMITING THE COST OF SCHOOL UNIFORM

Our school has a duty to make sure that the uniform we require is affordable.

We will make sure our uniform:

- Is available at a reasonable cost.
- Provides the best value for money for parents/carers (including the quality & durability of the garment).

We will do this by:

- Review our suppliers at least every 5 years with a retendering process used to ensure we are providing the best value for parents should any change be considered.
- Ensuring that compulsory branded items are long lasting and good quality.
- Avoiding frequent changes to uniform specifications and minimising the financial impact on parents of any changes.
- Ensuring any major changes to uniform have a suitable and supportive transition period for parents.
- Limit specific requirements for items such as coats, bags and shoes.
- Keeping the number of optional branded items to a minimum, so that the school's uniform can act as a social leveler.
- Avoiding different uniform requirements for different year/class/house groups.
- Avoiding different uniform requirements that must be purchased for extra-curricular activities.
- Using alternative methods for signaling differences in groups for interschool competitions rather than by uniform changes.
- Making sure that arrangements are in place for parents to acquire second-hand uniform items.
- Ensuring there is additional financial support available for parents/carers of Pupil Premium students to purchase uniform.
- Consulting with parents and students on any proposed significant changes to the uniform policy and carefully considering any complaints about the policy.
- A restrictive dress code is not in place for Sixth Form students.
- Limited restrictions for non-school uniform days, day trips and residential.

STAFF

Staff will closely monitor students to make sure they are in correct uniform and follow the school's behaviour policy.

Where any student infringes the dress code staff will firstly ask for the item to be removed and if relevant try to use the store of centrally held uniform items at school to rectify the issue. If the item cannot be changed/removed in school parents will be contacted to collect their child to rectify the situation.

Ongoing breaches of our uniform policy will be dealt with by a student's Head of Key Stage.
In cases where it is suspected that financial hardship has resulted in a pupil not complying with this uniform policy, staff will take a mindful and considerate approach to resolving the situation and supply a student with the correct uniform to borrow if possible.
